UKG GRADUATION DAY

“I have learned my ABCs and 123’s;
To tie my shoes and
When to say ‘please’.
It’s time to move on;
I’ve had lots of fun!”

We are so proud of our tiny tots who graduated on April 1st 2023. We can’t believe they survived a year of firsts: New friends, new school, new routine and they did it all in stride. Their parents survived too, although we think the kids handled it better!

ART INTEGRATES – THINK UNLIMITED.

“Art washes away from the soul the dust of everyday life.” — Pablo Picasso.

Capitolites gave expression to the theme of art integration by exploring how the art of Karnataka can find resonating themes in the art of a faraway place like Ladakh. Through a splash of colour and creative skills, our students made the learning process joyful.

KALEIDOSCOPE:

ART INTEGRATED LEARNING

Art Integrated Learning is a teaching-learning model which is based on learning ‘through the arts’ and ‘with the arts’. Students explore creatively while building connections between different concepts through various art forms. Here is a kaleidoscope of the class events and activities that added colour and vigour and kept us going with renewed energy through the year. Our classrooms bustled with activity this year-both academic and non-academic as students exhibited unusual zeal and enthusiasm in all subject related work they took up

ANNUAL SPORTS MEET–CITIUS,ALTIUS,FORTIUS

Winners never quit and quitters never win.’—Vince Lombardi

Annual Sports Day is an event to remember over and over again. The sports event was not just about competition but ignited the fire and self confidence in each one of us. September 8 was a day of energy and enthusiasm when students of Grades VI to X assembled at the school ground in the main campus. Dr Sudha Chandrasekhar-Secretary, Capitol Public School, hoisted the School Flag and the Sports Flag. She declared the sports meet open by lighting the torch. The winners were given medals. There were 6 track events, relay race and kabadi competition. In the subsequent prize distribution the winners of the various events were given medals.

IT'S NOT THE WILL TO WIN THAT MATTERS – EVERYONE HAS THAT. IT'S THE WILL TO PREPARE TO WIN THAT MATTERS.

CONCLUSION

Academic activity is participative in nature no doubt and at Capitol, we look forward to the unstinted support of every parent and student in every endeavour of ours in the days and months to come. Let's unite to build a generation of youngsters who will do us proud. Happy vacation to one and all!

HAPPY VACATION! HAPPY DUSSEHRA!
